Hot Key Books, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Life s short. Enjoy it. This is the slogan of Leata, the wonder-drug that sixteen-year-old Hope has been taking since she was a child, just like the rest of her family. Well, the rest of the country really. For who would choose not to take it - a perfectly safe little pill that just helps take the edge off life. Because everyone can do with a little help staying happy sometimes . . . Especially Hope, whose life is maybe not as perfect as she likes to make out on her blog. Tom s never taken Leata. Why would he? His family are happy as they are. At least they were, until the sudden death of his journalist father. The police are unequivocal: his dad killed himself. But Tom just can t believe it. Consumed by grief, he obsessively begins to unravel the trail that leads to his dad s final news story. And Hope is there to help. As a Leata-backed blogger, Hope wants to steer Tom into positive living . Instead, her efforts take them down a path she could never have expected - into the murky underworld that lies beneath the surface of the happy drug everyone wants to love . . . and the secrets it will kill to hide.
