## VAN GOGH S INNER STRUGGLE: LIFE, WORK AND MENTAL ILLNESS (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book. Fascinating Look into the Life of a Tortured Genius Using Van Gogh s letters as a primary source, the author discusses the artist s life, his approach to his work and his mental illness. The letters vividly show the artist s life was no bed of roses. Whereas Van Gogh perfectly knew what was sellable, he continued to produce what he considered as honest, truthful art, regardless of current taste. He did not expect the art-buying public to understand the rough appearance of his work. Van Gogh acknowledged that being an artist simply involved struggle, but he believed that one would benefit from adversity, both personally and professionally. No victory without a battle, no battle without suffering. In Van Gogh s case it seems to have been a never ending battle against poverty, isolation and adversity. Given his circumstances - being financially dependent upon his brother Theo, not selling any work, and getting minimal recognition - his achievements are utterly amazing. This is not a book about Van Gogh s art, but about his life as an artist and human being. By reading it, you will appreciate and understand his work even better. Van Gogh s Inner Struggle is number #3 of the series Secrets of Van Gogh. # 1 The 1-Hour Van Gogh Book is a brief introduction to Van Gogh s fascinating life and work. If you want to gain a greater appreciation for one of the most fascinating artists of all time, this is the book for you. They are a reflection of the...
