## Correctional Health Care Patient Safety Handbook Reduce Clinical Error, Manage Risk, and Improve Quality

---

By Lorry Schoenly

Enchanted Mountain Press. Paperback. Condition: New. 156 pages. Dimensions: 10.0in. x 7.0in. x 0.4in. Are you unintentionally harming your patients? Most of us entered health care to help those who are ill, injured, or suffering. Yet our patient care systems can get in the way, leading to patient harm instead of the quality care we intended. The Correctional Health Care Patient Safety Handbook provides practical evidence-based help to improve your clinical program and, thereby, reduce clinical error, managing risk and improving clinical quality. By reading this book, you will discover: How a patient safety framework can reduce legal liability while enhancing continuous quality improvement efforts. The best methods to assess and improve an organizational culture to support patient safety. The key ways therapeutic systems support patient safety. Why communication and teamwork are so important for reducing clinical error. How to involve your patients to reduce errors and liability. The practitioner issues that can sink your clinical program and what to do about them. This book is a must-read for anyone working in the correctional health care setting, but especially for those who have opportunity to create and improve systems of care such as: Health Service Administrators, Medical Directors, Directors of Nursing...
