Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A young Vietnam Veteran living in Orlando, Florida moves to a small town in the southern part of the state where he becomes employed as a prison guard at a state prison that houses over one thousand violent inmates. He soon discovers he's taken a job where all the prison guards are redneck, country boys who all grew up in the same small area-and they don't like outsiders. It's not long before his personal life becomes complicated as he deals with the drama, stress, and violence he encounters while working in the prison environment. Carter's career as a correctional officer takes one turn after another while he learns the routines, uncovers the deceptions, and takes on the challenges of everyday prison life. He quickly discovers that inmates lie, cheat, steal, gamble, and commit assault and rape-all daily occurrences faced by the correctional staff. And Carter learns to deal with his fellow employees as well-tough men, good ol' Southern boys, who don't necessarily welcome his presence. He must prove himself to both the inmate population and the other correctional officers before he'll earn their respect and be taken seriously. The job changes him as it slowly eats away at him every day that he steps onto the prison compound. It's not long before he can't leave the job at the prison and he becomes numb, suspicious, untrusting, critical, pretentious, aggressive, bossy, and callous to people in general in order to survive working as a prison guard in this whole other world. He subconsciously evolves into a tough country boy who learns to master the supervising techniques and skills required...
