Flipped Eye Publishing Limited, United Kingdom, 2015. Pamphlet. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Where We re Going, We Don t Need Roads, aliens and time machines, Lambrusco and apocalyptic first kisses, broken relationships and breast-shaped mountains are perfect companions for a delicate dance through Hill Valley, Wagamama and potato fields in Nepal. The language, open-hearted and burlesque, is lifted from hypnotherapy podcasts, ad agency jargon, the fine distillate of the worst things we think about ourselves. These are poems alive with tingling histamines and humming generators. They slip between lines of conversation, sneak into your bedroom at night, haunt your dreams.
