Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Remember the classic fairy tales? Stories of witches and goblins, dragons and heroes, a world full of magic. For Grimolda Grizz, Witch Extraordinaire, those were not bedtime stories, she actually took part in them. (Witch Extraordinaire) Most of the things people nowadays seemed to like in their lives were pretty useless, she thought, but occasionally, when flying past a window, she would see blinking away, a black box, which seemed to show never ending images, colours and noises. Maybe she could buy one of these. There might be more to them than met the eye. It might alleviate the boredom a bit. And so, unexpectedly, began a series of events that were to change her life, and that of her shadow Grimpuss, who was never far from her side. She was back on track! With Grimolda Grizz Witch Extraordinaire, author Avril Gilmore Blamire blends the whimsy and adventure...
