THINGS THAT TALK: OBJECT LESSONS FROM ART AND SCIENCE

Zone Books. Paperback. Book Condition: new. BRAND NEW, Things That Talk: Object Lessons from Art and Science, Lorraine J. Daston, Imagine a world without things. There would be nothing to describe, nothing to explain, remark, interpret, or complain about. Without things, we would stop speaking; we would become as mute as things are alleged to be. In nine original essays, internationally renowned historians of art and of science seek to understand how objects become charged with significance without losing their...
