Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dylan Schaden)

COMEDY IN A MINOR KEY (PAPERBACK)

Farrar, Straus Giroux Inc, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A penetrating study of ordinary people resisting the Nazi occupation--and, true to its title, a dark comedy of wartime manners--Comedy in a Minor Key tells the story of Wim and Marie, a Dutch couple who first hide a Jew they know as Nico, then must dispose of his body when he dies of pneumonia. This novella, first published in 1947 and now translated into English for the first time, shows Hans Keilson at his best: deeply ironic, penetrating, sympathetic, and brilliantly modern, an heir to Joseph Roth and Franz Kafka. In 2008, when Keilson received Germany's prestigious Welt Literature Prize, the citation praised his work for exploring the destructive impulse at work in the twentieth century, down to its deepest psychological and spiritual ramifications. Published to celebrate Keilson's hundredth birthday, Comedy in a Minor Key--and The Death of the Adversary, reissued in paperback--will introduce American readers to a forgotten classic author, a witness to World War II and a sophisticated storyteller whose books remain as fresh as when they first came to light.
