M. This is the time of the curse I told thee of. He dares not sit among his kind, when the devils peer through his own and his fellows eyes - madness in one soul setting fire to fury in another. Over-dabbling with maniac elements, under my guidance and my control, has brought back the ancient efficacy of an old-time spell. I would not, an if I were thou and desired an e-as-y couch, even suffer a gleam of the lamp of mirth to light but the lid of a window of mine, if chance sent him ere the morrow s sun, ghosting across my path.
