THE PHILOSOPHY OF SPACE AND TIME

Dover Publications Inc., United States, 1957. Paperback. Book Condition: New. 204 x 135 mm. Language: English . Brand New Book. An important landmark in the development of the empiricist conception of geometry, this book is still one of the clearest and most valuable expositions of the crisis in physical science and mathematics occasioned by the advent of the non-Euclidean geometries. With unusual depth and clarity, it covers the problem of the foundations of geometry, the theory of time, the theory...
