Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Over the course of 2013 and 2014 sixteen people were interviewed about their experiences dating back to their childhoods growing up in the Caribbean and the factors that led to them to leave home for a new life in Britain in the 1950s and 1960s. They talked about the difficulties they faced settling in a new country, finding work and accommodation in Slough, the music they listened to and played, dances, excursions to the seaside, religion and faith. It was an opportunity to look back on their lives and reflect on their contributions to the community. These testimonies have now been recorded so their stories can be told and future generations can learn about their experiences.
