Date :2011-5-1. May be one thing. perhaps in the eyes of their parents insignificant. but it is likely to change the child's life; Sometimes parents say a laundry list of words. are will only make children and their own hopes drifting away. but it can be hard to do something directly touched the child's heart; sometimes a parent's old things long forgotten. perhaps it is an important incentive to destroy a child's life. . some something seems small could not be small. but please do not ignore them any one of them. if every parent in the face of a child. can act on their own to think with cautious that your child is bound to with their growth to pay back your heart. This book is divided into nine chapters. the first eight chapters were about how to do things to bring up the children self-confidence. sensible child. educated children. child caring. happy kids. smart kids. high-quality child and understand the social children. the last chapter solemnly warned the parents. what do enough to ruin a good boy. Each section in each chapter are starting from one thing. the specific content will expand on this matter in depth and description to remind parents in their daily lives in what should be the attitude and approach to training and education of children and to help parents as much as possible into the eyes of respectable parents. children. children grow up to become a guide on the road to true. Contents: Chapter I fully respect the children to develop self-confidence 1 to squat down and the children speak 2 others face in...
