This is much safer than Paris Green, as, after dilution with fifty parts of water, it is entirely safe to handle and sprinkle on with a common watering-pot. This acid is not always of the same strength, and if the druggist s acid is obtained, use 70 parts water to one of acid. This is also the cheapest remedy. Value of Maryland and Southern Lands. On the 18th ult. a daily paper noticed the arrival of several bay craft from Eastern Virginia and Lower Maryland, bringing large quantities of...
