Brand New Book ***** Print on Demand *****.In the extreme northwestern corner of South Vietnam there stands a monument to the free world. Unlike those which commemorate the victories of past wars, this one was not built on marble or bronze but the sacrifices of men who fought and died at a remote outpost to halt the spread of Communism. This is the story of those men--the defenders of Khe Sanh--and the epic 77-day struggle which not only denied the North Vietnamese Army a much needed victory but reaffirmed to the world the intention of the United States to hold the line in Southeast Asia. In addition to having been a contest of men and machines, this was the test of a nation's will. As a history, this work is not intended to prove any point, but rather to record objectively the series of events which came to be called the Battle of Khe Sanh. These events spanned a period from April 1967 to April 1968. The rationale for the buildup along the Demilitarized Zone and the commitment to hold the small garrison is presented as a logical extension of the three-pronged strategy then employed throughout I Corps and the rest of South Vietnam; this balanced campaign included pacification programs, counterinsurgency activity, and large unit offensive sweeps. Although isolated, the Khe Sanh Combat Base was a vital link in the northern defenses which screened the Allied counterinsurgency efforts in the densely populated coastal plains from invasion by regular divisions from North Vietnam. By obstructing this attempted invasion, American and South Vietnamese forces at Khe Sanh provided a shield for their contemporaries who were waging a war for the hearts and minds of the people...
