These exercises are built around the need for simple, achievable techniques that can be applied by actors, teachers and directors to answer the myriad requirements of actor training. The goal is to produce a continuous level of achievement, addressing: * How to rehearse * How to work with a text * How to audition for drama school * How to access the truth of feelings and actions Essential Acting will be a must-have purchase for anyone looking for a comprehensive study guide to the necessary work of the actor.
