China Environment Science Press, 2010. Soft cover. Book Condition: New. 185\*260mm. The China Council for International Cooperation on Environment and Development (CCICED) carded out a series of policy research studies on relevant issues of energy and environment in 2009 with strong support of CCICED Chinese and International Members, experts, and scholars as well as partners. Reports on and recommendation from these studies were presented to the CCICED Annual General Meeting in November 2009. An Issues Paper was also submitted, which summarized current issues related to environment and development in China. Based on these documents, Policy Recommendations were prepared by the Council's scientific advisors and approved by the Council for submission to the Government of China. These documents are contained as chapters in this current volume.
