

A Lady s Life in the Rocky Mountain (Paperback)

By Isabella L. Bird

Dover Publications Inc., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. A cosmopolitan, middle-aged Englishwoman touring the Rocky Mountains in 1873, Isabella Bird had embarked upon a trip that called for as much stamina as would have been expected of an explorer or anthropologist -- and she was neither! Possessing a prodigious amount of curiosity and a huge appetite for traveling, she journeyed later in life to India, Tibet, China, Japan, Korea, and Canada and wrote eight successful books about her adventures. In this volume, she paints an intimate picture of the -Wild West, - writing eloquently of flora and fauna, isolated settlers and assorted refugees from civilization, vigilance committees and lynchings, and crude table manners yet a gentle civility -- even chivalry -- among the men she encountered in the wilderness. Thoughtfully written, this captivating narrative provides a vibrant account of a bygone era and the people that forever changed the face of the frontier.

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
