

## Lucifer's Legacy: The Meaning of Asymmetry (Paperback)

---

By Frank Close

Dover Publications Inc., United States, 2014. Paperback. Condition: New. Revised. Language: English . Brand New Book. This is Frank Close's masterpiece -- his best book, and one of the very best introductions to physics for the layperson. Close is a master expositor. -- The (London) Sunday Times Close's writing is beguiling, mingling personal and historical anecdote with carefully measured doses of exposition in such a way as to guide the reader painlessly into rather deep intellectual waters. -- Nature Life, intrinsically related to asymmetries, is the theme of this book, and Close offers us an absorbing and scientifically correct account of symmetry and its deep implications. -- CERN Courier This thought-provoking work by a physicist and popular science writer explores the origins of asymmetry from the molecular level to that of the universe at large. Frank Close takes readers on a tour of asymmetry that ranges from the development of human embryos to the mysterious Higgs boson, or God particle, and ongoing research at Switzerland's CERN laboratory.
