## More Baby s First Signs (Hardback)

By Kim Votry, Curt Waller

Gallaudet University Press,U.S., United States, 2001. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Every parent knows the frustration of trying to satisfy the demands of an infant too young to communicate his or her thoughts. Now, a growing consensus of researchers agree that not only deaf children but also hearing children can benefit from early exposure to sign language, often learning such basic signs as milk, mother, and change as early as seven months. Baby s First Signs and More Baby s First Signs are two illustrated books designed to provide your infant with the means to articulate his or her fundamental desires. Baby s First Signs and More Baby s First Signs are durable board books, lavishly colored in bright reds, blues, greens, and yellows sure to please your child s eye. Each page features an illustration of a toddler signing a word as well as demonstrating what the sign is about. For example, on the baby page, the toddler makes the sign for baby by mimicking the cradling of a child in his arms while also...
