Brand New Book ***** Print on Demand *****.Jesus is a figure who is loved and revered by billions of people the world over. Yet there is so much confusion surrounding the status of this colossal personality. Muslims and Christians both hold Jesus in high regard but view him in very different ways. The questions raised in this book aim to get to the heart of the issues surrounding Jesus: Was Jesus God? Or was he sent by God? Who was the real historical Jesus? Some ambiguous verses of the Bible can be applied erroneously to show that Jesus is in some way divine. But if we look at the clear, direct verses of the Bible, we see again and again that Jesus is being referred to as an extraordinary human being and nothing more. What emerges, when we consider the historical and logical facts about Jesus life, is conclusive proof not only that Jesus cannot be God, but that he never claimed to be either. What follows are five lines of reasoning which clarify this subject for us through the Bible itself and thereby allow us to discover the real Jesus.
