iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Christianity s Source is the result of a quest that started almost eighty years ago. After reading the Catholic recommended writers like Augustine, and Aquinas, the author went through the Greeks, and many other well respected philosophers, coupled with a great deal of painful thinking. As each topic is developed questions are posed that ask the readers to make logical personal appraisals. It is proposed that any individual given the facts and information on each topic can use his/her own intellect to reach logical conclusions. The initial area of inquiry is where did Judeo-Christianity come from? This book is based on the works of highly respected Egyptologists, Anthropologists, Historians, and Biblical scholars. A few that were included are: Cheikh Anta Diop (1923-1986), Godfrey Higgins (1771-1834), Gerald Massey (1828-1907), Alvin Boyd Kuhn (1880-1963), Elaine Pagels, Bart Ehrman, Karen L. King, Paul Johnson, and Tom Harpur. You will see a list of over fifty specific basic beliefs that were copied and are backed-up with irrefutable proof going back to at least 3000 BC; and perhaps to 10,000 BC. The proof is in the Egyptian Book of the Dead, the Pyramid Texts, Amduat, and the Book of Troth.
