Spiral Art II: An Adult Coloring Book (Paperback)

By Trefoil Graphics

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A mathematically inspired coloring book for adults! You might have played with a Spirograph or other geometric drawing toy when you were a kid. Here you ll find those amazing abstract patterns created from repeating curves and loops--but you ll also find many others that you d never create with a set of cogwheels and a pencil, where the curves and loops have turned, thanks to computer manipulation, into angles, polygons, and dazzling starbursts. Colorists who enjoy working with symmetrical patterns like mandalas will find designs--from simple to fiendishly detailed--for all tastes, moods, and levels of skill. * 50 intricate geometric designs to color * A variety of levels of difficulty, from simple to very complex * One-sided pages; only one image on each sheet to prevent bleed-through.
