Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Treasure Island by Robert Louis Stevenson Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of buccaneers and buried gold. It was originally serialized in the children s magazine Young Folks between 1881 through 1882 under the title Treasure Island, or the mutiny of the Hispaniola, credited to the pseudonym Captain George North. It was first published as a book on 14 November 1883 by Cassell Co. An old sailor, calling himself the captain -real name Billy Bones-comes to lodge at the Admiral Benbow Inn on the west English coast during the mid-1700s, paying the innkeeper s son, Jim Hawkins, a few pennies to keep a lookout for a one-legged seafaring man. A seaman with intact legs shows up, frightening Billy-who drinks far too much rum-into a stroke, and Billy tells Jim that his former shipmates covet the contents of his sea chest. After a visit from yet another man, Billy has another stroke and dies; Jim and his mother (his father has also died just a few days before) unlock the sea chest, finding some money, a journal, and a map. The local physician, Dr. Livesey, deduces that the map is of an island where a deceased pirate-Captain Flint-buried a vast treasure. The district squire, Trelawney, proposes buying a ship and going after the treasure, taking Livesey as ship s doctor and Jim as cabin boy.
