

Divided Minds (Paperback)

Filesize: 8.33 MB

Reviews

It is one of my personal favorite books. This is certainly for anyone who states there has not been a worthwhile study. I found out this ebook from my mom and dad advised this pdf to learn.

Griffin Publishing, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Growing up in the fifties, Carolyn Spiro was always in the shadow of her more intellectually dominant and socially outgoing twin, Pamela. But as the twins approached adolescence, Pamela began to suffer the initial symptoms of schizophrenia, hearing disembodied voices that haunted her for years and culminated during her freshman year of college at Brown University where she had her first major breakdown and hospitalization. Pamela s illness allowed Carolyn to enter the spotlight that had for so long been focused on her sister. Exceeding everyone s expectations, Carolyn graduated from Harvard Medical School and forged a successful career in psychiatry. Despite Pamela s estrangement from the rest of her family, the sisters remained very close, bonded with the twin glue, calling each other several times a week and visiting as frequently as possible. Carolyn continued to believe in the humanity of her sister, not merely in her illness, and Pamela responded. Told in the alternating voices of the sisters, Divided Minds is a heartbreaking account of the far reaches of madness as well as the depths of ambivalence and love between twins. It is a true and unusually frank story of identical twins with very different identities and wildly different experiences of the world around them. It is one of the most compelling histories of two such siblings in the canon of writing on mental illness.
