

The Irish Contribution to America's Independence (Classic Reprint) (Paperback)

Filesize: 1.55 MB

Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Alayna Kuphal)

THE IRISH CONTRIBUTION TO AMERICA S INDEPENDENCE (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Irish Contribution to America s Independence As the Irish were driven from their own country by a system of persecution much more severe than that of which the Puritans complained, it is necessary to include in a work of this character some facts of Irish history which account for the large volume of emigration to America in colonial times. I am a representative of the very class in Ireland, which, in an effort to be truthful, I am com pelled to condemn for their treatment of the main body of the Irish people. My ancestors in the male and female lines for many generations have been members of the Episcopal (or Anglican) church. My grandfather was a clergyman of that church in Ireland, and his father was mayor of the city of Londonderry at a time when it was perhaps the most anti-irish city in Ireland. Had I been born and bred in Ireland, I should probably have had no opportunity and less inclination to learn the real facts of her history; but fifteen years study of Irish genealogies and family histories has provided me with an intimate knowledge of the causes that are the root of Irish hostility to English rule, which, after all, were the basic causes of the American Revolution. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
