Brand New Book ***** Print on Demand *****.Privilege Through the Looking-Glass is a collection of original essays that explore privilege and status characteristics in daily life. Privilege Through the Looking-Glass encourages readers to engage in self and social reflection, and can be used in a range of courses in sociology, social work, communication, education, gender studies, and African American studies. Every educator should read this book. - Henry A. Giroux, Professor, McMaster University A courageous volume that blends theory, personal experiences, and reflections on contemporary debates over identity. This is a book...
