By Loring Bullard

University of Missouri Press. Paperback. Book Condition: new. BRAND NEW, Healing Waters: Missouri's Historic Mineral Springs and Spas, Loring Bullard, Missouri's mineral springs and resorts played a vital role in the social and economic development of the state. In "Healing Waters," Loring Bullard delves into the long history of these springs and spas, concentrating particularly on the use and development of the mineral springs from 1800 to about the 1930s. During this period, there were at least eighty sites in the state that could be described as resorts. Because so many people were drawn to the springs by their faith in the healing virtues of the springwater, towns were frequently founded at the mineral springs. These places fought hard to capture the attention of Missourians who were seeking better health, relaxation, or good times in the late 1800s and early 1900s. Bullard first examines the development of mineral water resorts in Europe from ancient times, early spa traditions in America, and Missouri's frontier spas. He then discusses the establishment of saltworks at the state's saline springs and the importance of the early salt trade; the brisk business that grew around the bottling of mineral waters; the...

Reviews

This sort of book is everything and taught me to seeking forward and more. This really is for those who statte there had not been a well worth reading. I found out this pdf from my i and dad advised this book to discover.

-- Prof. Griffin Murphy

Very useful to all of group of folks. I could possibly comprehended every little thing using this created e book. You wont truly feel monotony at anytime of your time (that's what catalogs are for concerning in the event you ask me).
