

Economic Point of View: v. 1: An Essay in the History of Economic Thought (Hardback)

By Israel M. Kirzner

Liberty Fund Inc, United States, 2010. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. The Economic Point of View is the inaugural volume in Liberty Fund s new Collected Works of Israel M. Kirzner series. This work established Kirzner as a careful and meticulous scholar of economics. No other living economist is so closely associated with the AustrianSchool of economics as Israel M. Kirzner, professor emeritus of economics at New YorkUniversity. He has been a leader of the generation of AustrianSchool economists following Ludwig von Mises and F. A. Hayek.In The Economic Point of View, Kirzner explores the basic ideas around which the entire body of economic thought has revolved for some two centuries. He explains how the economic point of view emerged in the development of economic science since the eighteenth century and through it, the concepts of purpose, subjectivism, and rationality. Kirzner s incomparable ability to navigate through the core ideas of economics helps the reader become progressively familiar with the history of the discipline and its definition.Within the seven chapters, Kirzner discusses such subjects as the science of wealth and welfare; the nature of economic science and the significance of macroeconomics;...
