Time-Saving Cookery (Classic Reprint)

By Sarah Field Splint

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Time-Saving Cookery There are two ways of cutting down the labor of preparing meals. One is to make use of such devices as the tireless cooker, the oven heat regulator, the steamer and the casserole. Food put in charge of these silent servants needs little or no watching and with their aid a housewife may safely take an afternoon off, returning just in time to dish up the evening meal. The other short-cut is even simpler. Prepared and semi-prepared foods of every conceivable kind can be purchased in cans or packages and can be made ready for the table in a very few minutes. This booklet tells you what supplies to keep on your shelves, how to combine them into appetizing, nutritious dishes and how to plan menus using them. Not all the prepared or semi-prepared products on the general market are listed here, but only those articles that can be found practically everywhere. A study of your grocer s shelves will doubtless reveal many other canned foods that will prove valuable time-savers in your...
