Createspace, United States, 2014. Paperback. Book Condition: New. C L Hause (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Walking With Spirits Volume Four is a huge collection of Native American history. Following on the heels of the highly successful first three volumes, this fourth set offers many more wonderful and entertaining stories. This volume will leave you ready and awaiting the fifth. With this book I hope you understand the Native American people a little better and understand where they have come from and what they can offer the world. By exploring these stories I hope to offer you a glimpse into an often forgotten past. The past of my people. I was born Cherokee and as a child heard many of these stories. These stories were passed to me in the old traditional way by my grandfather. And now I give these stories to you, to carry forward for younger generations to explore and learn. You are invited again to go Walking...
