

Backgammon Tactics

By Harold Thorne

Ishi Press, United States, 2012. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a basic beginner s book on Backgammon. In spite of the claims made on the cover here of being the last word on the subject, this is actually the first word. The author gives 50 problems and their solutions. There are explanations of the reasons why the solutions are correct. This book is a good two to three hour read. I wish I had this book when I was learning backgammon. It would have saved me a lot of time. Do not expect to find any advanced computer analysis here. Ishi Press has brought back this long been out of print book because most of the current books are so advanced that they will discourage anybody thinking of taking up the game. We have checked the solutions to the 50 problems in this book and they are all still correct. I would recommend this book as suitable for a gift to a friend who wants to learn how to play. The friend will be lured into thinking that Backgammon is an easy game. Many players...
